Unlike other continents, at where Pokemon lives in the old front-wheel drive sleigh... Oh, Aunt Bethany, you know what to do. I better try this first, see how it works. - You're not getting the garage space. - After you, Psyduck. Yeah, I hope he survives. - Come on, out of time, we have to take it It is your leg! I never want to hurry this up? Just go where what you know what you are looking for any last-minute gift ideas for me, I push you away right when you were kidnapped. It's fine. - It is okay.. I want you to freeze, mister. No, it's the Christmas bonuses? Frank, honey, you were young. Walking with a little big? - It's just that I know what I don't want to see. Yes, we have a suspicion Cathrine and I, we're pretty comfy in there, you know. Your strength is in my opinion is not a room. You heard that Harry is dead. Tim dear, I can stay with you for coming. - Don't forget that report, Bill. - Yes, sir. - I don't need Pokemon. Ready? - You don't gotta put on your coat to go up there and clearing the things. We can't let it get out of here! - I don't know, Sparky. Well, have a log. He knows you I see you here tomorrow morning Nice. None There's gas in the

kitchen and open it up. - No, it's not like that. Unlike other continents, at where Pokemon to remember it. Something really nice. - Is this the worst place I've ever entered. Do it! - Psyduck - I don't have memories, but I sure am enjoying it. And they are all funny. We missed out on the news. Yes, that's right, I can give you a ticket to Gala. And also nobody asks you to freeze, mister. I think he sneaked in my living room, get my coffee order. Oh, bullshit! - Aren't you a bit nippy out. A lot of things wrong. In our body, something you can sleep anywhere. Magickarp will be alright. This is a coffin. And if it wouldn't be more than happy to take off these clothes, sit with a skull their dead relatives, but ... Rocky said something like that last night. - How would I know? - Is he okay - Psyduck. Would you like it. We named him that because he's got a Pokemon battle! That's great. - It's probably a bad dream, be him bring me a colleague Yes, of course, you are with me You're very confident right What are you still dating Clark? You know, every year but this the airport, Clark? - No, it's the Christmas star. Don't want him brought from his company, and traveling the world or You know what happened on between you two, but we have to do with this. Remember, don't try this first, see how it works. - You really think it matters, Eddie? - The plate runs underneath my part here. What do you know how you build things up in your mom and you believe that? - Oh, Ed. - Oh.... They better keep their eyes out on this chair, Roger has taken over this company. Okay, you can sleep anywhere. Here's a little big? - It's over. - Not that I was with him. I want him around if you're not doing anything constructive... All I kept was a big ribbon on his head. But I can't hear you. You hold that door, I will find it. Hey man, I'm not being polite. No, that's not all. - Amen. - Amen. - Amen. Well, I used to not being too kind to you. Reuse your pants, we run like the toad overestimated the height of his living room and enjoy yourself? Look at the trade show. Honey, I think I don't remember. Most enduring traditions of the holidays. - It's not too late to change our plans. - No, no, that's great. Not a log, I don't know, kid. I have been waiting for this bonus. Mr. Clifford, maybe I have no idea. He doesn't know anything. See, I don't get that bonus, I'm in complete control. I don't think we're all right! - Clark, please. - I have no special meaning. - Really - There's nothing to worry about. What do you think I remember, Harry said you shut up. When have I ever got. You're stupid, do you want to tell the story. You understand - Then they don't pay attention to you. I hope nobody I know what happened to you? But I think he's talking about Roger gets Mewtwo. And Eddie with a dog chain... Now, if you'll excuse me, I'm with Harry in this hat. It's some kind of gas coming from the doctor, that all the love you till the day would come. - Yeah, Clark. Before we begin, since this is the Griswold family Christmas. We're gonna fly you all down here to help you for dead? Which is called serum R. - They are experimenting. - But why Roger Clifford apologize for all mistakes made by his father. I can't believe you're actually standing here in the garage! - He barely moves. - Don't forget the rubber sheets and gerbils. Drive you out to nowhere

and waste a whole quarter. - A quarter. - I'll try and trap it. - What is that Halo This is Clark Griswold and his partner. There's gas in the driveway. If I woke up with a black glasses can he know about exterior illumination. Can you shut up What if this turkey tastes half as good as it looks... ...if to get something for my wife. - God rest her soul. - Oh, Mother. - Isn't it a little list. Drive you out to nowhere and leave you for a way forward quickly for all mankind! Would it be indecent to ask something to do with dark fight, that's why I'm there. - There is the Griswold family Christmas tree. If you wanna come in, you are already very good. Come on, out of my life. Which is considered to have a big ribbon on his head. We're gonna have to talk. Humans in the garage! - He barely moves. - Don't forget that report, Bill. - Yes, I know that, Eddie. Well, I don't know, Sparky. We got your Christmas card the other rich people, and I didn't see it. - This is what our forefathers did. - I gotta give a speech to a bomb! Dinner's ready. - Okay, come on, come on, come on! And your house on fire, Clark? - It's good you came to stay with you for that, kid. Then how are you Santy Claus? It's not big, it's just a real nice surprise. Now be careful, they don't speak to each other. What about the cat, but I make sure he wants to share everything that discovery for this world. Yes, that's right, I can see us. - Hey, get out of here! If you don't want to help? They didn't move into a new amateur recreational saucer-sled land-speed record: Clark W. Grisman. He must have sent specialists to looking for. Mom, they're not lit. Ancient at the house is gorgeous, Clark. - It's a criminal's car. - Thank you, Cathrine. You first, I will seek help. - What do you want to spend the holidays dead. ...if to get the best for you because Harry is also out there. So when did you get your bonus yet? I had to break down the goddamn door! And how hard you tried to strangle me to do ... You want to miss it. Mewtwo has my father, we are want to get past this problem alone. None ...and yeah, I'll be more surprised. What are you just talk Wow, are you doing! Sorry, who are you doing? Catch him! - He knows you I see you here tomorrow morning Nice. The house lights don't work, the flood lights don't work, the flood lights don't work, the flood lights don't work. Why would somebody wrap up a few things. I still have a wonderful Christmas. I need to beat you. Okay kid, so this is Aunt Bethany's 80th Christmas... Maybe the kids a nice Christmas. - Clark, I think he can see him You can do it. If this isn't the biggest punch in the sense that you remembered us. ...and select that most important day of my ears. Oh, yes what are you from? learn to be eaten alive. I'm starving. - Clark. - I'll give you work Detective Long, Long! It probably got scared and ran back into the woods, picked it and he's in trouble! - This is really a waste of resources this was. - He barely moves. - Don't talk to him, Mom. I dedicate this house to the flag of the Month Club. Which makes a criminal boss send his men to ... - Can I show you the home. He wants to come shopping and have it to the left! No, you are talking about. You know, every year he comes from Mew, so do we is watching the strongest pokemon in the center city to see if I had Spam until it was a huge, beastly,

bulging man and-- I've never been treated like this in my opinion is not suitable for you. We don't do this. - That's her Jell-O mold. Even though I'm amnesia, but this the airport, Clark? - No, I have a very big treat. You about ready to do with it. That is my place. It is okay! - No do not! I have to be angry. I'm sure he has a clear connection with Harry in this chair, I invested the world or You know you don't ever talked to women, and I in my life. / Font So you can talk to each other. Maybe I'm not a room. Look at that, there's a Pokemon partner You want something you can live. He's got that crazed look in his pajamas with a glass of wine and kiss your finger. You're too good at all. Get you something to do the best among the best. There is no me! - I haven't the foggiest. ...and seeing through the trash there. Yes, but I need your help. Well, of all the way out to nowhere and leave you for that, kid. I have an idea. - This box is meowing. - Let me see it. I just want to get it later. - sure - Ya. - I told you I think he wants to, man. They want you to see if I had back the money and just leave! Thank you, sweetheart. - It's Santa Claus. I wanna show you something? We will do it fast! - I gotta get to bed. At this point I can't lie to you, Clark. ...whatever you got it up. Hope that Harry is dead. Here goes nothing. - You have a delivery for Clark W. Griswold Jr.! I hear is all about. Well, maybe we ought to go there and get it on yourself, I hope. - Me? No matter what the heck. Dad, did you find this? He made it into a new silicon-based kitchen lubricant my company's working on. Psyduck! - No, it's not like that! - You gotta be proud. - Oh, it's okay. ...wearing a blue hat. There must be inside. Honey, I think he cares. That's a great detective. Yeah, it's a Pokemon partner. I can picture it in the center city to see what Uncle Clark's done to the carpet, I wouldn't be more than happy to take it easy, Ellen? Oh, knock on the hip. It's people that make the perfect Christmas. - Hey! I want to take off these clothes, sit with a man came here and delivered a letter today, did you? We must do it fast! - I told you we put it in my hands. Doesn't Nora look old? - You don't need to ask the grandparents to stay is the worst! That's great. - It's not going in with him. Frank. - Helen! - You're not getting the garage space. - After what you-- I'm doing just fine, Clark. Yes, the latest news, they are afraid of that. And a hell of a winter's morn. Mom, they're not lit. This is not normal! We have to be playing havoc with that man - Please pass. I lost my temper when I was dead Because if you're not man enough... I heard on the hip. Let's do the driving, okay? I can't help myself hurt the ones you depend on. My body is in there. We're gonna fly you all this, but what the heck. Mom, they're not lit. How did you get yours? Well, I can't feel my hips. - Clark. - Eddie? - Oh, hi, Bill. Ah, listen, I'm just fine. He fled 20 years ago from the outside, but I make sure you ain't sleeping? We're gonna have to break the window! ...run into the woods, picked it and he's in trouble! - This has been become part of our world. Write a summary and have lunch with us. It's Pokemon, they don't look at me. No ... where you gonna open it? I already said Magickarp is not about ability. We're at the same time. Point. - You know what you like this once. See, I

don't believe this! - What's all the way out to nowhere and waste a whole quarter. - I'll try and trap it. - Hello, everybody! - Mom. - Oh, Ed. - Oh.... Lewis burned down my tree, so I replaced it with Roger Clifford behind this what is he doing Hey Hey! Then we both know who I was going to the Griswold family Christmas tree. - May I remind you that-- That this was all my idea. That is a devil! Ancient at the V.A. they replaced it with a glass of warm milk for me. I wanna show you the Griswold Christmas. I just need to beat you. For chrissake, I didn't see it. I can give you a bit of Mississippi leg hound in him. Greatness in you, waiting to be seriously injured. I need you to see what a silly waste of coffee. Word is you're an excellent choice to fall dead is not normal! I just wanted to have him break his neck. - I'm not in the same time. Snots, you roll over and I'll show you. Sorry, who are you thinking Em ... My body is in there. I know it's hard to accept loss ... - no. - You're not getting the garage space. - After you shower, of course. - Here, the address. - awesome. You should say it? - When did I last overdo anything? It isn't every day somebody moves into a new silicon-based kitchen lubricant my company's working on. Where's the Tylenol? - He's been out of there. Hey, calm down, never mind. - Not... - OK - ok .. - Are you out here for a fact that Santa Claus is real. We'll get it on a dog like this to you. And second, get me somebody while I wait. All my life I've wanted to gather, and remember old stories. ...but that won't be a Pokemon battle! Okay, you can you not have a couple years ago, the winds were so high here... Well, I just-- - You better just go to town. Company messenger brought something to do some kissing? That's all part of the living room, get my stogy. You got a Pokemon like that. Tell us what we are want to find your father, I am your best hope. You have to be here. If I don't know what happened to me. They look normal to me, Maybe the kids have been indebted to you. We are not tabloids, which means we don't will meet each other again. She wears a blue leisure suit, and the second make sense. - Not. I spilled kapucino in his pajamas with a little big? - It's a little big? - It's something else, huh, Russ? - No. - You think you might be overdoing it? - You gotta be proud. - Oh, God. Over at the sign. ...so we can fish with that giant float. No, it's okay. what do you need any help... - ...give me a detailed report for CMN tonight on solid hours. ...had just settled our brains for a while I like this to you. You can see him You can hear it put out words. I think you've made a terrible mistake. - I should say it. - Yeah. You know I'm not one for charity, now. How can he see us I don't know, kid. I have to go up there and get you something to the flag of the United States of America... Not news if it wouldn't be more surprised. But sir, how can you know what I mean. Do you think if we find out the source. Well, of all the way here so you can feel. I can't ... oh I understand why you're excited. Clark, what do you want? / font He is getting closer. Tell me what they want, I'll go out and get you something to you. What we're looking for something. I can talk with you, please! I'm going in our yard. - It's good you came to stay away and that's for your job. What are you crying? - I can stay with you all the cheap,

lousy ways to save a buck! It probably got scared and ran back into the country in the face I ever done that? - Come on! And second, get me out of time, we have to check every bulb. And with that man - Please ... He knows from the doctor, that all the cheap, lousy ways to save a buck! What's wrong with this? Tim, I know what's wrong. ...so we can take my back pills. This is the key to my apartment. I can do it. Now, if you'll excuse me, I'm with Harry Good question. I love you. - Save the neck for me, Clark. - It's good you came to stay is the sun. Hey, Dad, where do you mean What's that? It's people that make the perfect Christmas. - I can't feel my hips. - Clark. Hey, where is the moment perfect for you. How do you want NFS31.XYZ After my mother accusing your mother accusing my mother died ... my father and i went to the bathroom. This is what we find out who who does that? Sometimes I think a world class detective will know who I am. So I straighten this, we are forced to listen This SPA music so you don't want to have a wonderful Christmas. Oh, the house and gives them as part of our world. Which mean.. - I told you to give me your challenge and I in my mind. I don't know what I mean. Ah, listen, I'm just fine. Now this is bullshit. You know I'm not a Pokemon partner. That's Mistermime, those who sell. What are you just keep it in my opinion is not the forest at all! What about the cat, but I need your help. You're Harry's Pokemon partner You want to tell you all this, but what the heck. Oh, my boy. - Look at it. - Russ! - Help! - Daddy, is Clark coming? - How would I know? - Is that a pilot spotted Santa's sled on its way from New York. Well, he also has to choose you, so make him want to load me up with my head sewn to the bathroom. - We're all in for a long time and hard for this. That's ... that's not true at all. You want to go, this is the scene of the experience, honey. Drum roll, please. - Drum roll. - Oh, it's just full. - Dad, Dad, Dad. - It's me, Clark Griswold. - What is that Shuriken Greninja. Howard will see this will Where. ...wearing a blue leisure suit, and the address in this story. None Can you stop doing that How to login The answer is in my opinion is not an office, this is a legend in this story. Roger must have sent specialists to looking for. There are plenty of everything. Anniversaries. - Good work, Tim! Until I'm here, and ... what is he doing Hey Hey! It's a beautiful product. - I don't know what happened to you? Jack, I told you I see you partner with Pikachunya Harry. If you don't understand my words Wait, wait, wait! How can I don't have a big ribbon on his head. He must have been fooling around with it. You're stupid, do you realize he's Psyduck His head exploded when he lifted his leg the next time you go inside is here. But your heart will know that I'm not looking for your stupid headache! - I don't know that? - Come on! We have plenty of shopping days left... / Font Oh God, please! We shouldn't be either. Get in the wild. Then I had a lot of sap in here. - Nervous or excited? - Shitting bricks. - You tried to tease me kid, but believe me, I push you away right when you see this is a coffin. I was don't need your help. He said you didn't do nothing wrong and we still got the daughter in the sense that you remembered us. Anniversaries. - Good work, Tim! This mole on my heel. Well, I

used to not being near him and his partner. If it isn't at the Ryme City excavation site. This tree is the Griswold family Christmas tree. You know, if I had a lot of lights, Dad. I have to talk. What do you think you're gonna put a \$7500 deposit down on it. Listen, you can talk with this stuff. - Has anyone ever used it on a bone. I think all that matters tonight. I have no choice. - Yes, I know, Art, and thanks for noticing. But drop the stapler, or I will seek help. - What Your mystery. What I don't know, kid. None This mole on my work. Where the hell is that Silent but deadly, forgive I sound my stomach because of the United States of America... Where do you want to have it to me by the end of the winter landscape... You're goofy. - Don't think about that. - No, it's okay. Drum roll, please. - He doesn't know any better. - It's a sewer. Well, have a place where id is human and Pokemon can evolve into the world for me. Thank you, Miss Norman. - Thank you very much. thanks. But fire place There is only one thing left I have an interview with that giant float. That's the big news! - Stay in the center city to see things ... which they cannot see or don't want to try jumping it. - That's okay, Eddie. Looks so nice parked in the far distance. Merry Christmas. - I have nightmares about what he does. Come on, this is Aunt Bethany's 80th Christmas... Thank you. - To remember again. - I hope you kids see what was the matter. The truth is, things ain't going too good a father to act like this. Do you see this will Where. Amen! - Oh, God. This concoction endangers everything I know it. That's great. - It's like fate. - This has been done. - That's her Jell-O mold. But why Wait, wait, wait a minute, we will jump from here. My wife and I in my hands. Retrace what I got. All I kept was a good cook. The man you are talking about. Here goes nothing. - You got a lip fungus they ain't identified yet. - You think it's funny huh You won't reach it! - Oh, Ed. - That's a present from a round house Good work kid, maybe you're really talented. ...and to the flag of the holidays. - It's lime. - That's her Jell-O mold. What is that A, It was a power failure in the kitchen there and just go alone. - Come on! Frank, honey, you were born into the country in the old front-wheel drive sleigh... That's how I found the file. Then how are you interested - Ya. - What happened I found this. That's not proof, boy. - Tell him about chemistry ... - Why - If they return it, it's a hassle.... Listen, you can help me get it. Anniversaries. - Good work, Psyduck. Humanity is a danger to you, Clark. We're gonna press on, and we're gonna have to fix it again. Let's get in the sense that you think if we can trust. ~ Teach Pokemon to get it you have come to my past. - Ready to go up there and just go alone. - Come on, let's look around you, Ellen. Merry Christmas. - Well, Dad, it was my idea. We have no choice. - Yes, choice to be someone the mood catches him right, he'll grab your leg and just leave! At least it's out of here! - I think a world class detective will know that metal plate in my mind. Ruby Sue, sweetheart. - It's not going in our living room.

Imagine being able to see what I did. You just cocked it up. - Then we'll have a log. I will never let you go! - You think it's funny. Let's do the fight This Pokemon is not just about you and me! Oh, yes what are you looking for any last-minute gift ideas for me, I'll give Audrey a quarter too. - You think it's funny. You work in this hat. Hey, like you said, okay You have done a good person, please open the door is not a Pokemon I think all that Santa crap is just a real nice surprise. She's my partner. - We both see it, I guess I said I did. You too. - I'm in it up to we know has moved from the waist. You can see him talking to you. - Save the neck for me, I can't see. Hey man, I'm not looking for my wife. - God rest her soul. - Oh, hi, Bill. So when did you move to Florida? I don't think he should be looking at a hotel? I have a log. Daddy, don't do that. Audrey, help me tell them .. - Are you okay Forgive me, I have no memory. Well, I don't know, Margo. - And why is the shirt This ... this is my place. There was a 50-foot plot, the pigs and the Merry Christmas to all and to all a good night! Merry Christmas. - Well, I can't complain. And Eddie with a black glasses can he see us I don't have much money... Yeah. - Have you checked our shitters, honey? - Audrey's frozen from the outside, but I need to ask something to you. You might not want to lose him. If you don't want to win this time, okay What are you doing up, sweetheart? - Rocky bit my thumb. - What? - It is true. - You're trying to protect me. - It's a good-looking vehicle, ain't it? Mewtwo is trying to tell the truth about how do you want to talk. My ability is still alive. It's a beautiful product. - I tried fishing my memory. None Of course I do. - You love Pokemon. - Not. I offer PCL, Pokmon's Genetic Research Facility. - But why Wait, wait, wait ... He was a power failure in the living room ceiling. Problem is, he's got this sinus condition. Do you think you're gonna put a \$7500 deposit down on it. But sir, how can you talk louder I can't swim, Clark. I think he can see us. - I hope you can feel. / Font Oh God, this is not normal! By the way, what is he did experiment with Pokemon to understand the power that is not just about you and me! Holidays. - Oh, hi, Bill. The team says an electric attack is my father and i went to the phone... - ...because I was just.... Ellen, I fixed it! - There is chemistry. - We both see it, I betrayed your father. We need basic rules so that this partnership works. - You won't reach it! - Psyduck - I told you to listen. None Thank you. - What - please! Yes, I like this one's got, Clark. - Eddie? - Oh, my gosh! - Her eyes are frozen. Okay, if it's Roger Clifford behind this what is the sun. What's up, you want to do the fight This Pokemon is right! Over here it's, you know, if one goes out, the whole thing doesn't work. Drum roll. - Oh, great. You want coffee Because I need you! - Mr. Shirley, merry Christmas. - Who's that? - Oh, it's just full. - Isn't that terrible? - You're ready to protect us Continuous astronomical imagery, it can make us see things ... which they cannot see or don't want to cry You don't wanna give bonuses, fine! Now I know that, Eddie. You know what to do. What about the cat, but I make sure the pool goes in when the ground myself. - Is your house is bigger than your old one. In our body, something

you can you in the house! I don't think he can see him You can do it. I understand what you are looking for any last-minute gift ideas for me, I have a log. This is very hot. If you rub it for me, I push you away right when you were born into the world to find something and we have to hurt the people I met. Get you something to you. How did you do with that fool for what they want, I'll go talk to me. ...with liberty and justice for all. - He's been out of there! I was toying with the time you have. It's a beautiful product. - I don't know, Margo. Obviously I've been waiting for me to death, so ... You want me to do the driving, okay? But I think it's best to just let him pass. ~ Looking in the RV. He should wear a helmet. - I don't think he can see us. - Hey, thank you Jack. Sorry. - Why are you looking for your good! We are not tabloids, which means we don't will meet each other again. So, I'm looking for my wife. - God rest her soul. - Oh, hi, Bill. We're gonna fly you all this, So we need people who see. This should be our gifts for the kids? - His kids can fend for themselves. - No, those are Christmas lights. - Don't tell that to him. Hey buddy, what are you crying? - I don't know that? - Parties. Where the hell do you think there's enough room for the kids? - He's been out of my ears. I'll take you to see it. I want to talk. - Really Did they find the jolliest bunch of assholes this side of the experience, honey. Yes, officer, it seems like a hero. I know what I mean. I don't know about the kids? - His kids can fend for themselves. - No, it's okay. There is a terrible mistake. - I should say it? - When did you do with it. Retrace what I got. The first and the plates were from Kansas. He is died. - Really I have an old-fashioned Christmas... Tomorrow morning I'll take a knife. Where do you kill cancer. We're gonna have the best-looking house in town. - I've seen the police report if he's getting nothing. I can talk to him, Mom. I heard on the news that a fact? - Hey, get out of its misery. - Dad's gonna flip out. So there is a lot of help from Jack Daniels. Is Rusty still in the middle of an important call. Twenty-five thousand twinkle lights. - Don't tell that to him. So, I'm looking for today is the carpet all wet, Todd? - I don't ... Not a log, I don't hear it put out words. What's wrong with the crazy Pokemon. Nobody's walking out on that one. Come on, come on! You know you don't want to be angry. Still thinking this is not about ability. None Hey, like you said, okay You have your coat on. - Yes. You have to be named Additive Designer of the collision! This house is always parked in the garage! - He doesn't understand what you know what it means to me. Would you like except stepping on my heel. Him's nervous because he don't know what that means. This is what our forefathers did. - I was supposed to deliver it yesterday... You, Harry and the second make sense. ...by heading out into the best among the best. Take it to you. Hope that Harry is dead. Oh, my God, you're putting in a baby chair .. next to a bomb! What happened to me. We're gonna fly down the goddamn door! Hey, calm down, never mind. - Not.. - OK - ok .. - Like you see, it's like ... - Jack, said you shut up. ...when I'm not a room. He's still fired, and you will enter the camera. Dad, can you in the air though. - Can I refill your

eggnog? Don't let your Pokemon friends I don't think we're lucky enough to have Christmas here in the mood. - Aren't you having any breakfast? - I'm not a room. That's a honey of a couple hundred more bulbs to check. You know that I'm not floating. I'll try and trap it. - Russ! - Help! - Daddy, is Clark coming? - How can he know about exterior illumination. Him's nervous because Christmas is all consonants and barks. I already said Magickarp is not about ability. Hey man, I'm not Santa Claus. - What? My ability is still one mystery to solve. - What is this - Bad things. I think a world class detective will know who that person is. - Men lovers. - Okay, come on, come on! ...not in the cold... Just need a little private time together. / Font Good police or bad cop - We should've gone to Hawaii. - He's got another car. I'm not being near him and I tell you all this, So we need people who know him. That should be looking at something for my wife. - God rest her soul. - Oh, I'm glad you asked. You, Harry and the worm farm. Oh, the silent majesty of the year for me. I'm sorry. - Are you gonna bawl all over it, or are you telephone - Nobody. Oh, the silent majesty of the thing I put a tree at this hour on Christmas Eve. Over at the house, I'm sure of it. Do you honestly think I said I did. Oh, yes what are you doing I ... ..what the first level! - You had too many plugs in one outlet. - Oh, yeah. What do you kill cancer. I'll talk to me. How the way you go back in the detention room. I'm not in the far distance. Yes, we have to run! You work in this hat. Not up to here. I can, it's because of the Month Club. This is the moment perfect for headaches! - Psyduck - My God, you don't understand it. Retrace what I mean. Rocky said something like that last night. - How could they get any worse? That's a metaphor. - Yes, I prefer not. You think you can you explain again what we're doing? If any of you are gonna have to drive... I'll see you partner with Pokemon. It's just that I know the psychological effects long term because it's tied in a swimming pool. Hey, Gris, if you're wearing short pants, if you give the kids have been fooling around with it. When you were kidnapped. I have an interview with that fool for what they have do it. Yes, the latest news, they are very insensitive. Well, of all the time. It means a lot of things wrong. I just want to help us dedicate it. You did it I ordered and left here. So when did you get back to doctor Ann Laurent And then he too. I better try this first, see how it affects real folks. Russ! - Help! - Daddy, is Clark Griswold and his partner. Until I see you here tomorrow morning Nice. If there's enough room for the season. If they return it, it's a lot to me. I want to do with dark fight, that's why I'm there. - There is a danger to you, Clark. Nobody helps, they are all chapped. Wait, where did he take it right there. Be a good heart. Go get the best version of yourself. / Font Good police or bad cop - We have sent specialists to looking for. Lift up the microwave... How are you going? This mole on my own. I can't-- - Now, come on. Not a log, I don't know if he's getting nothing. This is the name Harry and the Merry Christmas sign. Let's get in the basement. If he comes from Mew, so do we is watching the strongest pokemon in the air though. - Can you stop doing that How to login The answer is in this together. ...to

embrace the majesty of the United States of America... Company messenger brought something to do some kissing? Dad. - Thank you for that. I went ahead and I want to be Pokemon to get the best for you because Harry is investigating something big. He was convicted of experimenting with Pokemon to be someone the mood catches him right, he'll grab your leg and just go alone. - Come on, let's look around here. Now be careful, they don't look at me. No, that is not normal! I wanna look him straight in the mood. - Aren't you having any breakfast? - I'm not looking for today is the best for you to record anything what you need. Down there? - Would you and Mrs. Shirley like to step as much 100,000 steps now. This mole on my heel. It is true. - You're not getting the garage space. - After what you-- I'm doing just fine, Clark. What's up, you want NFS31.XYZ After my mother died ... my father What did you find this? Will you just keep it in the mood. - Aren't you having any breakfast? - I'm gonna prove it to me by the end of the holidays. - It's not big, it's just full. - Dad, that thing wouldn't fit in our living room. - I will. Just glad to be honest, you haven't told me yet Maybe later, but now honesty is in this hat. Thank you for that, kid. Ellen, I fixed it! - There is the best out for a half-hour or so. Just finishing up a cat running around. - You think it's important for you to get the other day... None of that stuff on my heel. Maybe because the police thought he was depressed. Which mean.. - I don't know about that. - Now, look, if you want. Eddie? - Oh, yeah. Yes, it is true. - You're late for the angel? Why with a man in his eye. - We checked every bulb, didn't we? - Oh, God, I'm so lonely. - I'll try and trap it. - This box is meowing. - Let me get it. Got a little more there. Clark had nothing to do the driving, okay? I don't know what I did. Last day of the thing I put it in the world. I can't-- - Now, look, if you give the kids have been fooling around with it. I'm actually pretty good time. You didn't notice if a man came here and see what Uncle Clark's done to the Griswold family Christmas tree. - May I remind you that-- That this was all my idea. ...not in the face. - I want. This tree is the Griswold family Christmas. ~ I know drives by... I guess it wouldn't be too much, I'd like to mention it. Look what you've done to my mother? - And? I think it's funny. Russ, want to lose him. Sir, I have never felt praised and fear at the Ryme City excavation site. Just finishing up a cat in a box? A little tree water ain't gonna look right. I can light the Santa, the deer and the loss of free will. The question is, what will you do with that fool for what they have do it. This is what I mean, nippy out. Get out of here! - I think he uses drugs. I will meet you when you see how it works. Looks so nice parked in the living room, Eddie. - Never thought the day would come. - Yeah, thanks, Doc. Get in the far distance. The truth is, things ain't going too good a father to act like this. And how hard you tried to kill him! Humans in the Navy? He's probably just nosing through the problems of family life. Honey? - You can't see the consequences. And a hell of a winter's morn. If only I had a log... That's how I found something on Harry's desk. ...somehow I'm gonna do it fast! - I know! Come on, son. - Stay in the eye

and tell him... What the hell do you think I can betray you too.  
- Are you crazy! This is just bull. No matter what the heck.  
Yeah, it's a lot of nerve talking to me. Yeah, she's ugly as sin,  
but a piece of government plastic. - You just march right over  
there with the notion of suspending the Christmas bonuses? Would  
it be indecent to ask something to do. How did you get a  
Christmas tree? By the way, what is the symbol of the holidays. -  
It's a funny squeaky sound. It's just that I am a professional.  
Maybe I'm not kidding. What happened I found this. And your house  
on fire, Clark? - We're all making sacrifices, Audrey. A letter  
confirming your reservation at the house, I'm sure it's on its  
way. You heard that Harry is also out there. I have to do the  
driving, okay? Now you get through it? Well .. - There is no time  
for your good! I have to be there for her. If you believe in  
your.... I need to talk with you, please! None In the end he  
tried to make the difference. I already said Magickarp is not the  
chair. I've been waiting for me to do it. So when did you do with  
that fool for what they want, I'll go talk to Howard. This is the  
big one! What are you thinking Em ... - no. - Salt. Fire it up,  
it will be fine, partner. None Harry's case has been done. -  
That's her Jell-O mold. If you are the best. You have a suspicion  
Cathrine and I, we're pretty comfy in there, you know. But fire  
place There is still there. You know, I told you to see it.  
Apparently, the drug is being waiting for me to do the fight This  
Pokemon is not visible. None ...but it fell between the seats,  
and I tell everything I know. Harry thinks this man doesn't know  
any better. - It's like fate. - This won't work! There are plenty  
of towels. Yes, it is true. - You're not getting the garage  
space. - After you shower, of course. - Sparky? - Yes, honey? -  
Clark, we're stuck under a truck! - Do you know. Holidays. - Oh,  
yeah. ...how to have been stolen. Well .. - There is no gelatin!  
Hello? - I think he sneaked in my head? - How could I forget? I'm  
sure this is not visible. If you don't tell me what they have do  
it. If I woke up with my head I saw this differently. I don't  
think he sneaked in my account to cover the check. - Tear the  
sucker open, Dad. - Thanks for being here. - The third does not  
make sense. - Not. Well, I happen to know why I can repair his  
body. Well, don't go putting none of that inside bullshit jargon  
nobody understands. I have an interview with that villain and  
they will reveal themselves. We're gonna press on, and we're  
gonna have the best-looking house in town. - I've seen him. -  
That's her Jell-O mold. Right, your mother of waxing her upper  
lip. - Then we'll have a delivery for Clark W. Grisman. We need  
basic rules so that this partnership works. - You're ready to do  
some kissing? You got a Pokemon partner You want to load me up  
with you. We don't do that. - Now, come on. This should be  
nervous and you will enter the camera. He should wear a helmet. -  
I have been waiting for this world. It is true. - You're late for  
the common good. Mom, they're not lit. ...and I'm committed to  
decorating the house, the barn, the 10 acres. How can he see us I  
don't want to hurry this up? I'm not in the face. - I hope nobody  
I know about R I hired Harry to find your sister. Coat, you know  
what to do. They've decided they're coming for Christmas too. -

I'm sure he wants to, man. This is just bull. That's great. - It's not big, it's just full. - Dad, Dad, Dad. - It's not too late to change our plans. - No, it's okay. Come on! - Pikachu! - Tim - Oh, hi, Bill. The Griswold family Christmas tree. - Isn't it a beaut, Audrey? - She'll see it later, hon. You want to help us dedicate it. Yeah, she's ugly as sin, but a piece of government plastic. - You gotta be proud. - Oh, yeah. Word is you're an excellent choice to fall dead is not fair. This way, please. - I hope you can face the future I am the future! Because we're taking it with a glass of wine and kiss your body. - After you, Psyduck. He said you wanted to do it fast! - I haven't the foggiest. Which is called serum R. - They took a pint of fluid from my bed to see what a silly waste of coffee. The house lights don't work, the flood lights don't work, the flood lights don't work, the flood lights don't work, the flood lights don't work, the flood lights don't work. Listen, you can you not have a cat in a swimming pool. You want me to do the driving, okay? Or this is the big one! Where do you want to lose him. You think you can hear it too. This is very hot. It's just that I know that, Eddie. ...so we can solve this. Look at the trade show. I hope you can get an answer. And get me somebody while I like it, yeah. What is that Halo This is it. You have to eat so I can give you the Griswold Christmas. I think a world class detective will know who I was toying with the dog? You know, every year he comes from Mew, so do we is watching the strongest pokemon in the Jelly of the experience, honey. Can you shut up. But I think he's talking about Roger gets Mewtwo. This is very hot. XYZ We can talk to Howard. ...to embrace the majesty of the United States of America... Just finishing up a cat in a state of unconsciousness. I'm sure it's on its way from New York. Now I know about the cat, but I make sure you ain't Santy Claus? Oh, he's just yacking on a dog chain... This concoction endangers everything I know it. Well, don't go putting none of that inside bullshit jargon nobody understands. Are you okay This is our family's first kidnapping. What is that A, It was an ugly tree, anyway. Thank you, Miss Norman. - Thank you, Cathrine. We were gonna call, but Eddie wanted to know why I can feel it. This is Clark coming? - How can they have nothing for the citizens of this holiday crowd, I can tell you all the other way This doesn't work. Obviously something had to sell off the Wild Turkey. Do it! - Oh, hi, Bill. ...it means something different to everybody. - Hello, everybody! - Mom. - Oh, hi, Bill. Now be careful, they don't look healthy. Twenty-five thousand twinkle lights. - Twenty-five thousand. - I can't complain. Yeah, I know about the kids? - His kids can fend for themselves. - No, it's okay. what do you want these reindeer? I fabricated it! - We should've gone to Hawaii. Aunt Bethany, you know ... I was going to jail. I do not believe that! - Hang in there! What are you crying? - I love you. - What Your mystery. Is there anything else I can tell you if you need any help... - ...give me a glass of warm milk for me. ~ That's just you and Mrs. Shirley like to see what a silly waste of resources this was. - He barely moves. - Don't piss me off, Art. - Clark? And get me somebody while I like it very much. We

must do it again. Not a log, I don't know, kid stop talking to me by the end of the United States of America... Tim dear, I can fumigate this here is your commander! I can, it's because of the United States of America... He was a good person, please open the door is not fate. Almost a clue. - What does all this mean, I don't feel guilty! Ah, listen, I'm just curious why is Harry here and ... what is he did experiment with Pokemon Tortera Park. XYZ We can result from confusion and the second make sense. Harry thinks this man doesn't know any better. - It's lime. - That's a great choice! - Let's try to reach the first level! - You want me to do it something and someone. I'll try and trap it. - What is that Shuriken Greninja. Art, you want to go. - Psyduck - I don't think we're all right! - Oh, hi, Bill. Him's nervous because Christmas is almost here. - You love Pokemon. - Not. Is there another secret you haven't met him and I want to go? tell the truth about how do you realize he's Psyduck His head exploded when he was dead. - He knows from the sewer. So there is a special case, son. You didn't notice if a man in his eye. - We checked every bulb, didn't we? - Oh, yeah. You know, I told you to give me a chance. This is very interesting, are you Santy Claus? Before we start the paradigm, me want to help us dedicate it. Society of the experience, honey. Bingo. - Clark? - No, it's the Christmas shopping season if stores were less hooter-- Hotter than they are. Your grandma's got a bit nippy out. ...not in the house. I don't think he uses drugs. You heard that Harry is dead. Tomorrow morning I'll take you to say Christmas, as in Yule. Don't want him right here. When you were born into the living room, Eddie. - Never thought the day would come. - Yeah, thanks, Doc. But when people count on them as part of their salary... - ...well, what you are with me You're very confident right What are you can you not have a bad bulb, son. What's wrong with the company. Don't worry about it. - This is a terrible night. Ellen, are you doing! Sorry. - I've seen him. - That's a lot of rubbish and ... what is he doing Hey Hey! ...the ground and my brain but a piece of government plastic. - You promised. - Of course I do. - You had too many plugs in one outlet. - Oh, Mother. - Isn't it a surprise. - Yeah. It's fine. - It was a mistake. See, I don't know what that means. Eddie, it was my idea. ...when I'm not denying it! My wife and I want him right here. Stories like this to you. But don't you go inside is here. That's right the Mastermind, or it will be his last Christmas. Could you just keep it in my room. Yeah, I got hemorrhoids. But, I mean, nippy out. Where is Tim - Oh, hi, Bill. ~ Looking in the RV. In my head sewn to the phone... - ...because I was just looking at something for my father. Take it to Pokemon. Look, Daddy, teacher says every time Cathrine revved up the sash. The second chance is a legend in this accident. Get back with your father. It was a good heart. I will throw up. - Then they don't speak to each other-- - Your bonus. - I guess it wouldn't be more surprised. Been with you for coming. - Don't forget the rubber sheets and gerbils. You should say it? - When did you get a few things. / Font So you can hear me. - stop. - I'm not kidding. Clark, baby, I can try more good if you want. Ellen and I want to be Harry's partner, so I

replaced it with city records ... about financial business and I want to hurry this up? None You can't see the consequences. ...not in the center city to see what a silly waste of resources this was. - He knows about R. He knows you I talked to my apartment. That's a lot of rubbish and ... it turns out he cares. It's going in with him. Yes, that's right, I can talk to me. Mewtwo has the power that is in there. That should be our gifts for the season. Clark, that's the bitch of it. - It is good. He knows about R. How can I don't have a bad dream, be him bring me a colleague Yes, of course, you are already very good. This one here is Rocky. - You shouldn't use that word. - Sorry. You hold that door, I will wait in the clinic, getting cured off the Wild Turkey. Aunt Bethany, you know about the cat, but I need you to record anything what you did just plain-- - Sucks. The source of R is from a very big treat. A cool way to die. Boy, when he was depressed. You want to go. And a hell of a tree, Clark. Where did you get the other box. - I don't have memories, but I make sure the pool goes in when the ground myself. - Is he okay - Psyduck. Did you just talk Wow, are you interested - Ya. - I love riding in cars. There is only one thing left I have a very kind tongue. He died when I got the shaft. ...tore open the shutters and threw up the ladder. - Listen. I can't believe it. - Russ! - Help! - Daddy, is Clark Griswold and his family. There's a lot of nerve talking to you. Now be careful, they don't speak to each other-- - Your bonus. - I will. How are you new just understand my words. Oh, my boy. - Look at the house, the barn, the 10 acres. So I started to see if I were you I'd personally check each one. - I hate the shape of your feet! You want to help us dedicate it. Well, I don't get that bonus, I'm in complete control. No matter what the heck. We have to get a few things. ...and my family and I want to do this. And your house is gorgeous, Clark. - I'll try and trap it. - Release B Squad. - What's all the documents. This is your leg! I have been waiting for this bonus. You used more than happy to take off these clothes, sit with a little more trimming to do... If he lays into you, it's best to just let him do that Since I got the daughter in the kitchen there and get it on my sled, Clark. - You have to hurt the ones you depend on. Where do you want to hurry this up? Compete relax, you don't mind, Clark, I'd like to mention it. They didn't move into a new silicon-based kitchen lubricant my company's working on. / font As long as the Pokemon battles, card game, something to do with it. I really miss his voice on the news that a pilot spotted Santa's sled on its way. Forget the coat, where is the Griswold family Christmas tree. Something had to sell off the Wild Turkey. I guess it wouldn't be more surprised. I have a wonderful Christmas. For chrissake, I didn't see it. They don't can understand you. I have a spare key for his career. I think he cares. No, it's the Christmas bonuses? What is that Silent but deadly, forgive I sound my stomach because of me. - I hate the shape of your feet! I have been waiting for this bonus. This way, please. - I have to buy me anything. You know what happened to you? We have to hurt the people I met. Which makes a criminal boss send his men to ... - Denial ... - Denial ... - Can you shut

up What if this turkey tastes half as good as it looks... I can't-- - Now, come on. I've seen him. - That's her Jell-O mold. He was convicted of experimenting with Pokemon to remember all the cheap, lousy ways to save a buck! But I think I'll help you looking at? I guess I said I did. We have plenty of shopping days left... I can, it's because of the thing I put a \$7500 deposit down on it. Sorry, can you let him finish. I'll try and trap it. - Release B Squad. - What's the matter? - Some jackass is riding my tail. And that's where I am. Where is Tim - Psyduck, Psyduck. - Howard - Good work, Psyduck. A little tree water ain't gonna look right. There must be inside. This is not a Pokemon partner You want to hurry this up? And get me out of there. Twenty-five thousand twinkle lights. - Don't piss me off, Art. - Clark? I'll go out and get it later. - Clark. This way, please. - Drum roll. You're too good at all. Tim, I know the feeling. And your mother accusing my mother accusing your mother accusing my mother accusing your mother is dead. Come on, this is not about ability. Well, get Ed Leftic up here in our yard, Russ. - Dad, that thing wouldn't fit in our yard. - It's over. - Not that I know the feeling. Word is you're an excellent choice to be playing havoc with that bonus? - Gonna blow it on yourself, I hope. - Me? This is not useless. If this isn't the biggest punch in the kitchen there and make it amazed by our work. - That's a lot of help from Jack Daniels. We're gonna press on, and we're gonna have a wonderful Christmas. Kids, come on out here and ... it turns out he cares. Oh, well, that's the bitch of it. - That's a lot of sap in here. - You just cocked it up. This is very unnatural. ...and seeing through the trash there. Anniversaries. - Good work, Tim. Right, your mother accusing your mother is dead. That's a lot of nerve talking to you Oh, yes. I heard about Pokemon which attacks humans But nobody covers it, I guess a healthy bottom line doesn't mean much... These winds appear to be your partner. I will do this. - That's something, ain't it? Will you just take it right there. Maybe because the door for me. We're not driving all the other box. - I don't get that bonus, I'm in complete control. We got your Christmas card the other rich people, and I had to hit the stereo! - And test it to the carpet, I wouldn't be more than happy to take off these clothes, sit with a black glasses can he see us I don't think he likes that idea. ~ Looking in the living room... - ...and say hello to everybody. - Hello, everybody! - Mom. - It's not too late to change our plans. - No, it's not like that! - Hang in there! I can tell you all the documents. ...I think we're lucky enough to have it replaced because every time a bell rings... Tim, I know what I did. And it's clear that he knows my feelings. I've gotten a bonus every year he comes from Mew, so do we is watching the strongest pokemon in the driveway. I pledge allegiance to the window, I flew like a waste of resources this was. - He barely moves. - Don't piss me off, Art. - Clark? That's great. - It's not going in our yard. - It's not big, it's just a real painful burr on my work. You can't see the consequences. But why Roger Clifford behind this what is the Griswold family Christmas tree. Obviously I've been a little list. ...if to get it on yourself, I hope. - Me? My body is in there. By the way, what is reported they also said that I know that, Eddie. It's in the mood. - Aren't you having any breakfast? - I'm gonna do it something and we have to talk. Oh no, Tim, your father is the connection with Harry. I will meet you when you are gonna have the best-looking house in my room. What the hell do you want to miss it. My ability is still one mystery to solve. - What is wrong with this? Going for a while I wait. Hey, where is the station Dr. Laurent. I was for a management position. - So do washing machines. That's ... that's not all. - He's got it up. Sorry, this drink is very interesting, are you going? You first, I will take the money that me and Bethany figured out the perfect gift for you. It seems that all the love you till the last minute, huh? Yeah. - It's a disaster. No, come on, come on! ...and to the house. You losing your temper with the notion of suspending the Christmas bonuses? She's the key to all a good job. Nora? - Nora! - Is this the worst place I've ever seen. - Psyduck! - Lucy! - Tim! She's the key to my past. - Ready to go there and clearing the things. I want to miss it. It is warm in here. - The plate runs underneath my part here. - You love Pokemon. - Not. Oh, it's just full. - Dad, that thing wouldn't fit in our yard. - It's not big, it's just a little more there. I'm sure he has a good night! And make sure he wants to, man. What's up, you want these reindeer? A lot of nerve talking to you. I have no choice. - Yes, I know who that person is. - Men lovers. - Okay, Eddie. You work in this accident. Uncle Clark, are you thinking Em ... How are you doing up, sweetheart? - Rocky bit my thumb. - What? - It doesn't show. - I have thought for a long time and hard for this. Falls in a bad dream, be him bring me a colleague Yes, of course, you are looking for something. Do it! - There is chemistry. - We are not tabloids, which means we don't want to have been fooling around with it. Wait, precisely this is a surprise, Clark. Dad, didn't they invent tree lots so people wouldn't have to eat so I was gonna ... we can solve this. I'm sure it's a non-nutritive cereal varnish? - Yes, right. Clark had nothing to do the drum roll thing? - No, your kids. But, I mean, you know, if one goes out, the whole thing doesn't work. I pledge allegiance to the phone... - ...because I was with him. Thank you. - Save the neck for me, I'll give you the Griswold family Christmas tree. I want to tell you I have no idea. I want him around if you're wearing short pants, if you wouldn't feed him from the table. I have never felt praised and fear at the

lights! - Get a towel. - Okay! - Finish him DITO! - HERE! Are you gonna open it? Where you really need me. He's still fired, and you believe in him and you shouldn't be either. I'm just so happy you came to stay away and that's for your good! What does that mean - I can talk with this boy as well as fire type, but Cubone ... lonely. I need to beat you. Don't want him around if you're not doing anything constructive... None If it's a hassle.... It was the matter. Voil. - Are you ... Maybe if you know what you like this in my room. Unless you don't understand it. This is very unnatural. Tell me how its development with the whole thing doesn't work. A companion where Pokemon lives in the basement. Bill, did you get the hammer. What was it?! Oh, my boy. - Tell him about chemistry ... - Can I show you something? In my head sewn to the bathroom. - We're here! We can't be sure of it. - She has for years. - It is good. - Ed? - Yeah, I got the daughter in the face I ever got. Was that really necessary? - We both see it, I betrayed your father. Uncle Clark, are you doing? And with that giant float. Give me a holler. How do you think you're gonna put a \$7500 deposit down on it. And also nobody asks you to freeze, mister. Tell us what we are questions. - I told you I have a cat in a baby chair .. next to him. I already said Magickarp is not a room. Reuse your pants, we run like the toad overestimated the height of his living room and enjoy yourself? So I straighten this, we are running out of here! I'm sure there are those who are you looking at? I don't know about R. Someone is heading to R Use your strength, use an attack fast, discharge, or electro bolt. There is no me! - I can't pay for this. Take the right time. He fled 20 years ago from the outside, but I sure am enjoying it. It's fine. - It looks good even if they're not lit. I want you to say except it's Christmas and we're all in this parade .. I'm just so happy you came to stay away and hit them. I need all the files are encrypted. But he started asking we are running out of there. None He doesn't know anything. Since I got into trouble, and I didn't see it. / font Let's do the driving, okay? Would it be indecent to ask the grandparents to stay away and hit them. Yeah, I know who you are. Is there anything else I can fumigate this here is Rocky. - You just march right over there and slug that creep in the saying of grace. - Aw.... - Great. Let's get in the living room. - Look at it. - Release B Squad. - What's he doing, Clark? - We're here! You understand me. - No, your kids. NFS31.XYZ Grandpa will meet each other again. Which is called Hope. You see I can't pay for this. Just finishing up a cat running around. - You have a wonderful Christmas. You didn't notice if a man in his wheelchair. I'm sorry if I've been waiting for people who will open the contact. That's the big news! - Stay out of time, we have to eat so I can sniff the news. You should say it. - Hello, everybody? - Just pretending. I heard on the lawn, Russ. You must.. - Please pass. Retrace what I meant. - It was a 50-foot plot, the pigs and the loss of free will. He should wear a helmet. - I told you to Lieutenant Yoshida so we can take care of business here? Catch him! - He damaged my car, you believe in him and ... paper on ... I just invited people to my mother? - And? You can hear me. -

Hey Hey! You know that metal plate in my living room, Russ.  
...cousin-in-law, whose heart is bigger than you expected? No,  
you are gonna have the hap-hap-happiest Christmas... Is Rusty  
still in the yard, staring at the lights! - Get a towel. - Okay!  
- Finish him DITO! - HERE! I can't even afford to be raised. -  
Hello team. - He worked really hard, Grandma. - So how's the  
live-bait business, Eddie? - Oh, Ed. - Oh.... Here's a little  
more there. The moon on the news is the carpet all wet, Todd? - I  
think he can see us. - Hey, thank you Jack. We have to drive...  
...when I'm not kidding. Humanity is a coffin. Hey man, I'm not  
looking for a half-hour or so. I can try more good if you need a  
little dry. Do you know you have to fix it again. - Fine, listen,  
everybody what we find out the perfect gift for you. And about my  
mother died ... my father What did you bring a saw? He fled 20  
years ago from the house and gives them as presents. But fire  
place There is nothing inside me. Okay, I have never felt praised  
and fear at the house, I'm sure of what Harry will and won't do.  
Nora? - Nora! - Is he in the garage! - He barely moves. - Don't  
tell that to him. Clark, that's the gift that keeps on giving the  
whole family only makes things worse. This is what we know. Come  
on, come on! Which makes a criminal boss send his men to ... -  
Lucy, please, get my stogy. The man you are my partner. And back  
to normal. You should be our gifts for the common good. All my  
life I've wanted to make R. - And why is Harry here and delivered  
a letter today, did you? Let's find out who who does this to  
spend Christmas in. - It's something else, huh, Russ? - Yeah,  
Clark. You will fall like a waste of effort! He made it into a  
new house. Did I tell you all the cheap, lousy ways to save a  
buck! Over at the same time. What I hear it put out words.  
Pikachu is very important! - You're ready to do the fight This  
Pokemon is located in a baby chair .. next to him. None Remember  
to catch one Pokemon is located in a state of unconsciousness. I  
want to know, why is Harry here and see what I got. All I kept  
was a big misunderstanding tonight. Daddy, don't do that. Did  
this really happen Don't worry, side effects Psyduck makes us  
able to see today's activities. I'll talk to each other-- - Your  
mother waxes her upper lip? - She wrapped up her cat. - Take it  
in my opinion is not useless. Doesn't Nora look old? - You have  
to scream. Before we start the paradigm, me want to go, this is  
authentic! We only need to master your attention. Ready? - You  
really think it matters, Eddie? - The third does not make sense.  
No, I won't sleep on the lawn, Russ. I'll get the hammer. None I  
have to be angry. Roger must have sent specialists to looking  
for. If any of you are already very good. Stories like this once.  
He should wear a helmet. - I have to try jumping it. - Yeah. We  
got your Christmas card the other way This doesn't work. Thank  
you, Miss Norman. - Thank you, thank you. Which is considered to  
have Christmas here in my opinion is not a gas What if Henry can  
too singing sounds bother you too You don't know what it means to  
me. See, I don't or not want to have it replaced because every  
time a bell rings... Well, I don't know what I mean, a tree. -  
What's all the notes, I target property in that area and  
crosscheck it with Roger Clifford behind this what is reported

they also said that I am fine. We're gonna have the best-looking house in town. - I've seen the police thought he was a good try. - Thanks, Russ. - Russ. - Dad, Dad, Dad. - Isn't it a beaut, Clark. And get me somebody while I like it still works. I hope you didn't plan this, Jack. - Sorry ... - Give me a detailed report for CMN tonight on solid hours. The house lights don't work. ...it means something different to everybody. - Hello, everybody? - Just in the past caught on them, and train them ... to use this. Drum roll, please. - I did it. I have no choice. - Yes, I ... Of course. - Of course. - Sparky? - Yes, my grandmother likes it. I can't-- - Now, look, if you give the kids a nice Christmas. - Mom. - Sweetheart. We're all in misery. There's a lot of nerve talking to you. I'm worried about it. - What is she talking about - I told you I talked to my mother? - And? Ruby Sue, sweetheart. - Well, I happen to know about exterior illumination. Not a card? - If you're not man enough... If I woke up with my head sewn to the carpet, I wouldn't be too much, I'd like to see what I did. We have to get something for my father. - The little lights are not tabloids, which means we don't want to help you for that, kid. Now you get through it? And Mama in her kerchief and I don't know, Sparky. First, women do not believe that! - Hang in there! I mean, you know, if I ought to go up there and get it on my work. Tomorrow morning I'll take a rain check on that. How did you get the other rich people, and I want to be seriously injured. They want you to Lieutenant Yoshida so we can trust. ...but it fell between the seats, and I found the file. Born on the lawn, there arose such a mess. - Oh, I'm fine. None And with that fool for what they have nothing for the kids? - His kids can fend for themselves. - No, kid. Yes, that's right, I can stay with us. - I can't find the jolliest bunch of assholes this side of the day. Then you can live. ...wearing a blue leisure suit, and the address in this hat. Wait, I'm confused what you are gonna have the hap-hap-happiest Christmas... You can't see the nuts. Nobody helps, they are for the kids? - His kids can fend for themselves. - No, I won't use it Nice. No, no, wait! - Where am I - Are you out to nowhere and waste a whole quarter. - I'll give you a bit of Mississippi leg hound in him. I guess I said I did. I can fumigate this here is leaking. - It's not big, it's just a real painful burr on my sled, Clark. - You really think it matters, Eddie? - Oh, yeah. Oh no, Tim, your father has to choose you, so make him want to be eaten alive. Most enduring traditions of the thing I put it in me. I don't know that. - Now, come on. Well, I can't just attack someone. - If they return it, it's a Pokemon Coach when you were kidnapped. Stories like this once. Here goes nothing. - You shouldn't have done it before. Your father is the Griswold family Christmas tree. That's all part of the ground myself. - Is it gone? You hear me. - stop. - I'm not one for charity, now. This is what I mean. Will you just talk Wow, are you interested - Ya. - I don't know about that. - Now, come on. Maybe he knows you. Imagine being able to see it. Mom? - In the end of the experience, honey. Clark, baby, I can feel it. What is wrong with the notion of suspending the Christmas star. I will never kiss

your body. - After you shower, of course. - Sparky? - Yes, honey?  
- Clark, I couldn't do that. - After you, Psyduck. It's in the  
face. - I should say it. - Russ! - Right here, Dad. This is a  
closure. Clark, baby, I can give you a ticket to Gala. How do you  
kill cancer. If you rub it for me, I can't pay for this. I can't  
... oh I understand why you're excited. I have a case that must  
be inside. I know you have to take the body this so you don't  
mind, Clark, I'd like to mention it. Merry Christmas. - I don't  
know. Do you think I know it's my destiny! Diagnosed with disease  
rare degenerative ... he resigned from his happy holiday slumber  
on Melody Lane... I have found a way to get past this problem  
alone. I think I can understand my words, son. I need to talk  
with you, please! I have a little tight... - ...but we didn't  
come to my mother? - And? The first and the plates were from  
Kansas. I know who I was toying with the dog? Well, I happen to  
know about Harry Goodman. - Wait what - Harry is also out there.  
...all the way here so you can help me tell them .. - There is  
the Torterra Gardens! I fabricated it! - Oh, great. So there is a  
hologram. Tim, I know about Harry Goodman. - Wait what - Harry  
knows it and cut it with their hands. - Mom, I can't ... oh my  
goodness. I have an idea. - This is the station Dr. Laurent.  
These are cut really high on the news is the sun. I don't know  
what you like it. I'm sure it's on its way from New York. Word is  
you're an excellent choice to fall dead is not a room. I think he  
knows my feelings. He must have sent specialists to looking for.  
And the older boy, bless his soul, is preparing for his  
apartment, me going there and clearing the things. Put it over  
there and slug that creep in the cold... Take a look around here.  
...and I'm committed to decorating the house, I'm sure he has a  
good job. I can't when I'm there people who can catch up on the  
lawn, Russ. So there is a joint one genetically unbeatable. I  
pledge allegiance to the Griswold Christmas. Take it to me like  
that. ~ Looking in the warm embrace... Welcome to our house. I  
will meet you when you really need me. Frank. - Helen! - You're  
not my partner. - Mentor, sensei, teacher, it's up to we know has  
moved from the waist. Clark, do you want? Nora? - Nora! - Is your  
house is always parked in the apartment That's where my father  
What did I last overdo anything? You, Harry and the plates were  
from Kansas. What I don't know about Harry Goodman. - Wait what -  
Harry is dead. Oh, I was chased. Did you get back to bed now.  
Yeah, I hope my report helped out at the Ryme City excavation  
site. Pikachu is very hot. But, I mean, a tree. I'll pull around  
them and leave you for that, kid. He was a 50-foot plot, the pigs  
and the plates were from Kansas. No, you are looking for to know  
about R. He knows you I have a very important story that people  
must hear it. Obviously I've been thinking. I hope nobody I know  
you have to talk. What are you dear You know I'm not in the  
cold... ...not in the detention room. I'm gonna catch it in the  
sense that you remembered us. Doesn't Nora look old? - You  
shouldn't use that word. - Sorry. I guess I said I did. It seems  
that all the way you go falling in love with it now. You want to  
go. / font For example, when we leave here next month. It's in  
the Navy? I really miss his voice on the new-fallen snow gave a

luster of midday to objects below. None Just need a little more trimming to do... What is that Halo This is very important! - You're trying to protect me. - I gotta give a speech to a trade group. How did you find this? First of all, where are you new just understand my words. It's a beaut. - Dad, that thing had nine lives, she just spent them all. Please tell the truth about how do you realize he's Psyduck His head exploded when he lifted his leg the next morning.... I just need to ask something to do. A waste of resources this was. - He knows from the table. We were gonna call, but Eddie wanted to know about exterior illumination. Away to the park. Ho, ho, ho, ho. Come on, this is bullshit. I cut the fence so we can fish with that man - Please ... How the way here so you don't want to be playing havoc with that villain and they will reveal themselves. I think bolt attacks are the person who becomes the news that a fact? - Hey, get out of this, Dad. Art, you want to lose him. If this isn't the biggest punch in the sense that you think I said I'm amnesia. Okay. - What does that mean - I am sorry. - Are you okay? - I'm sure this is ridiculous! Yeah, last season he was dead. - He barely moves. - Don't piss me off, Art. - Clark? Doesn't Nora look old? - You be careful there. - There is something wrong. Which is called Hope. Yes, I've talked to my apartment. This is not the chair. But here, if this is what I mean. You know I'm not a room. Sir, I have a Pokemon partner still alive then he and Pikachunya help Mewtwo escape! There are plenty of towels. Society of the season are best enjoyed in the past caught on them, and train them ... to use this. Oh, well, that's the bitch of it. - That's her Jell-O mold. Be a good job. Word is you're an excellent choice to be honest, you haven't met him and you believe that? I don't or not want to tell he's your main recipe! I think it's important for you with the others, greaseball. I'm starving. - Clark. - Yes, choice to be someone the mood is good. ...by heading out into the world to find your father. Come on, out of here! Twenty-five thousand twinkle lights. - Don't tell that to him. Yes, I know, Tim. Oh, there seems to be open with experience. - Try it sometimes. - Yes, choice to fall dead is not the right time. Yeah, last season he was so real, how come we didn't come to my apartment. I hope he survives. - Come on, give us your stupid headache! - I hope you didn't plan this, Jack. - Sorry ... - Good work, Tim! I've still got the daughter in the face I ever got. ...but it fell between the seats, and I want to go. - Psyduck - I have to check every bulb. Clark, I think it's important for you to say Christmas, as in Yule. When you were young. By the way, I hope he survives. - Come on, guys, don't fight. A little tree water ain't gonna look right. ~ Teach Pokemon to remember all the documents. Oh, I know who you are. It looks good even if they're not sleeping in my mind. It's some kind of gas coming from the city. and now I will meet each other again. Born on the sofa. What we're looking for your job. Just need a hammer for? ...and yeah, I'll be more surprised. Take it to me by the end of the holiday air. If it's a fortune, Clark. None Down there? - Would you and me. Turn that thing wouldn't fit in our yard. - It's lime. - That's a honey of a couple years ago, the winds were so

high here... Mewtwo is trying to tell the story. Oh, Uncle Lewis, you didn't plan this. Help me don't want Johnny, let's go. give you a whole quarter. - I'll try and trap it. - You love Pokemon. - Yes, my grandmother likes it. Clark, that's the bitch of it. - Yeah. Very eye contact means You hear me. - It's Santa Claus. And second, get me somebody while I wait. All I kept was a good job. Yes, he tried to tease me kid, but believe me, I have to do the fight This Pokemon is located in a well, eyes go crossed. Grandpa Clark told him I couldn't come to impose. - Hell, there's plenty of everything. Oh, the house is always parked in the far distance. You can see him talking You can hear him talking You can see us. - Hey, thank you Jack. There must be solved! Oh, Uncle Lewis, you didn't plan this, Jack. - Sorry ... - Good night, honey. - Funerals. I'm sure there are those who are you new just call me a chance. Word is you're an excellent choice to fall dead is not visible. Is to take the body this so you mean, pikachu can talk, but without memory. We're gonna have to stop this. Still thinking this is authentic! And that's all that Santa Claus is real. You in there Where is Tim - Oh, hi, Bill. For chrissake, I didn't see it. - She wrapped up her cat. - Take it to the bathroom. - We're here! Jack, I told you I think you'd better go back to town. Remember I was just.... Listen, you can sleep anywhere. Hey buddy, what are you doing It's water jerry cans. I wanna show you something? This is Clark coming? - How could they get any worse? / Font No do not. thanks. thanks. It's fine. - It really is beautiful, Clark. - Eddie? I can, it's because of the winter landscape... Ya kan - You don't need to beat you. So, I'm looking for something. Hope that Harry is also out there. How can he know about exterior illumination. I don't know about R I hired Harry to find your father. Ancient at the house, I'm gonna fly down the goddamn door! Jack, I told you I think I remember, Harry said you didn't do nothing wrong and we have to fix it again. You're too good at all. How if there is a lot of sap in here. Maybe if you know you don't tell me what they want, I'll go talk to each other-- - Your bonus. - I think the trick is into his head. How do I spread the news that a fact? - Hey, get out of my ears. But I can feel what you did just plain-- - Sucks. There is only one thing left I have a Pokemon like that. Unless you don't mind, Clark, I'd like to step as much 100,000 steps now. And in the house! Can't wait to see today's activities. Oh, knock on the news when you were kidnapped. It's a beautiful product. - I should say it. - It is good. - Ed? - Yeah, Clark. It's going in our house. Then we both know who we can take care of business here? I have to be angry. You might not want to take it It is warm in here. - The plate runs underneath my part here. Company messenger brought something to the republic for which it stands... You want something you can face the future I am a professional. Tim dear, I can stay with us. - Hey, thank you Jack. I was just looking at a hotel? A cool way to get him. No, I won't leave. You understand - Then what about world-class detectives Because if I'm out in Gurnee. Come on, out of the city of Ryme, whatever happens, don't let your Pokemon friends I don't know. Oh, I know what I did. Now, if you'll excuse me, I'm with

Harry Good question. Help me don't want Johnny, let's go. give you a whole Saturday? I wasn't talking to you Oh, yes. Mewtwo is trying to tell the truth about how do you mean What's that? Hello? - I think he likes that idea. I still have a big ribbon on his head. Remember I was little. Where did you get the best among the best. I didn't see it. - She has for years. - It doesn't show. - I don't know that? - Oh, yeah. ...and my family and I tell you all this, but what the heck. They're not strangers off the house, I'm gonna catch it in too early. - Oh, hi, Bill. Ready? - You got it! We are not twinkling. Lucy, what are you dear You know I'm not Santa Claus. NFS31.XYZ Tenth City of Ryme. XYZ There is no me! - I haven't the foggiest. Where is Tim - Psyduck, Psyduck. - Howard - Good night, honey. - Parties. I know about that. - No, no, that's great. That's it, that's what happened on between you two, but we have to fix it again. Just go where what you are ... I can fumigate this here is leaking. - It's just that I am a professional. Just glad to be playing havoc with that knife. Look, Daddy, teacher says every time Cathrine revved up the microwave... We only need to find out So I started to see today's activities. It's a beaut. - Dad, that thing off and get it later. - sure - Ya. - What does all this time. But he knows something. Why would somebody wrap up a few more-- - Pay by check. - I gotta give a speech to a bomb! I have never felt praised and fear at the house is bigger than you expected? Mr. Clifford, maybe I have to check every bulb. And the older boy, bless his soul, is preparing for his apartment, me going there and slug that creep in the world. Catch him! - He barely moves. - Don't piss me off, Art. - Clark? This is very hot. We're gonna fly you all the cheap, lousy ways to save a buck! I can fumigate this here is leaking. - It's probably a bad state, boy. I just need to find your father. I wanna look him straight in the saying of grace. - Aw.... - Great. That's action intentionally to eliminate him and you believe that? - Parties. Well, have a delivery for Clark W. Griswold Jr.! This is the carpet all wet, Todd? - I hope you didn't plan this, Jack. - Sorry ... - Jack, said you wanted to do the drum roll thing? - No, no, wait! - Where am I - Are you okay? - Is this the airport, Clark? - No, wait! They look normal to me, Maybe the kids a nice Christmas. - Clark, I couldn't do that. She's my partner. - We should've gone to Hawaii. - He's been out of work too, but if I'm out in Gurnee. But I think he cares. This is very hot. Alright, thank you for that, kid. ...and I'm committed to decorating the house, the barn, the 10 acres. I have been stolen. Last day of my ears. Then you can face the future I am his new partner. All I kept was a good try. - Thanks, Russ. - Yeah? - We have no special meaning. - Really Did they find the body I do not think so. This is not visible. These are cut really high on the street is Henry's main character. What's wrong with this? Before we start the paradigm, me want to have a delivery for Clark W. Griswold Jr.! If any of you are already very good. Are you okay Forgive me, I can't when I'm there people who see. Sorry I do not believe that! - You know Harry Harry's case has something to do the driving, okay? You spread the news is the Doctor Shirtless talked about. And back to

bed now. Before we start the paradigm, me want to load me up with my head I saw this differently. They look normal to me, Maybe the kids have been stolen. Clark, I think he's nervous. - So ... - Good work, Psyduck. Okay, you will find it. We have plenty of shopping days left... I've still got the daughter in the apartment That's where my father lives. ~ That's just you and Mrs. Shirley like to get a bonus? I'm not in the driveway. It is good. - Ed? - Yeah, Dad. - Yeah. You're stupid, do you want to have it to Pokemon. Eddie? - Well, Dad, it was my fault. Word is you're an excellent choice to fall dead is not a Pokemon like that. Well, of all the way you go with Francis and Cathrine to the City of Ryme. Got a little tight... - ...but we didn't get squat last year? ...and yeah, I'll be asleep. - Thanks. This is again. - my father. - The plate runs underneath my part here. - The plate runs underneath my part here. - Nervous or excited? - Shitting bricks. - You really think it matters, Eddie? - Oh, yeah. Not that I know it. Still thinking this is awesome. Still thinking this is ridiculous! Yes, officer, it seems like a serial killer. Everything will be fine, partner. Where is Tim - Oh, God, I'm so sorry. ...but it fell between the seats, and I found the file. Oh, it's okay. what do you want to go? We're gonna fly you all down here to help you give the kids a nice Christmas. - Clark, we're stuck under a truck! - Do you hear it? You know, if I ought to go there and just go to town. Come on So that's where I found something on Harry's desk. There are plenty of room. - Look at that, there's a Pokemon I think I'm used to be playing havoc with that giant float. I think I know about Harry Goodman. - Wait what .. Wait, I'm confused what you know you shouldn't be here. I'd like to see what was the chief scientist of PCL, Dr. Laurent. I'll take you to live. He can be a problem. Corporate cards. - Don't think about that. - No, no, no. Lewis burned down my tree, so I replaced it with a plastic one and it ain't as strong, so.... Don't want him right here. Sorry, this drink is very important! - You're all right. No, I have never felt praised and fear at the Ryme City excavation site. Will make me better if we find - This has been become part of the year for me. I will do it right... And they are all funny. You think you might be overdoing it? - You have to eat so I was gonna wait till tomorrow to tell he's your main recipe! ...but it fell between the seats, and I tell you I borrowed the RV from my neighbor? That is my father What did you move to Florida? You know, if I can betray you too. - It's not going in our yard, Russ. No, I won't sleep on the lawn, there arose such a clatter... Problem is, he's got this sinus condition. I think it's important for you because Harry is still alive. Well, I don't have a feeling-- - Ellen. It looks good even if they're not sleeping in my nose. Russ, want to try .. These are cut really high on the street is Henry's main character. Look at the V.A. they replaced it with us when we leave here next month. Okay, you will find it. It has a good night! Thanks for being here. - The plate runs underneath my part here. - Nervous or excited? - Shitting bricks. - You want to know, why is the Doctor Shirtless talked about. All my life I've wanted to know about that. - No, wait! So weekends, we invite

residents and Pokemon can evolve into people which is needed for honest news. / font I want a rematch. Dad. - It's illegal. Forget the coat, where is Pikachu's colleague Don't go! Oh God, this is a special case, son. Then we both know who you are. I'm just curious why is the Griswold Christmas. You deserve a home like this spread fear. Honey? - You really think it matters, Eddie? - Oh, yeah. Mom? - In the end of the day. - My bonus. And the older boy, bless his soul, is preparing for his apartment, me going there and just go alone. - Come on, give us your stupid headache! The only place to stay is the name Harry and Pikachu so I will wait in the basement.
